

PATENTED TOOLS.**Powerful clipping of FE/FC (FCx).**

ROCLIP P4 FC/FE (FCx)

ITS BENEFITS. YOUR BENEFITS.**Wide range of application, high performance**

- Installing and removing of FC and FE (FCx) type Fastclips
- Quick and easy to change from installing to removing operation using patented tool
- Load relief to operator due to rollers on the clipping module to optimize center of weight of machine in version FE/FCx

Strong machine, easy clipping

- Clipping is triggered by a push-button on the handle
- Hassle free operation without time-consuming adjustments
- Works on heavily corroded clips due to strong high-performance components

Flexible and practical use

- Handles can be individually adjusted in height to the operator preference
- Optimal view of the work area, also at night thanks to LEDs mounted on the handles

Optional Sleeper lifting unit

- Slight and fast lifting of low-lying sleepers

ROCLIP P4 FC

Sleeperlifting device**TECHNICAL SPECIFICATIONS**

	ROCLIP P4 FC	ROCLIP D FC	ROCLIP P4 FC/FE (FCx)
Drive	4-stroke petrol engine	diesel engine	4-stroke petrol engine
Type	HONDA GX 200	Hatz 1B30	HONDA GX 200
Output	4.1 kW at 3800 rpm	5.0 kW at 3600 rpm	4.1 kW at 3800 rpm
Weight machine			
Without sleeper lifting device	~134 kg	~212 kg	~163 kg
Weight machine			
With sleeper lifting device	~155 kg	~233 kg	~170 kg
Outrigger gear	~46 kg	~46 kg	~46 kg
Dimensions (L x W x H)	1950 x 620 x 1010 mm	1950 x 620 x 1010 mm	1950 x 650 x 1010 mm
Outrigger gear for 1435mm gauge (other gauges are available on request)			

ACCESSORIES

Available Fastclip tools

VERSION 1

Clip application

- 8254220001 Clip 125
- 8254220002 Clip 135
- 8254220007 Wide Clip 125
- 8254220008 Wide Clip 135

Clip removal

- 8254220019 Standard
- 8254220013 Without stop
- 8254220009 Simple design, smooth
- 8254220004 With nose
- 8254220003 Removal disc, general
- 8254220010 Removal disc, wide, general

VERSION 3

Clip application

- 8254220011 Clip 135
- 8254220012 Clip 125

Clip removal

- 8254220019 Standard
- 8254220013 Without stop
- 8254220009 Smooth

- 8259900008 Transverse travelling gear. Please request info for gauges other than 1435 mm.
- 8259910005 Parking brake for transverse travelling gear
- 9000100065 Hood-shaped cover

Converter for clips of different length (from 125 mm to 135 mm and vice versa)

Insertion tool for all types of application

- 8254220180 125 clip with lifting point for sleeper lifting
- 8254220170 135 clip with lifting point for sleeper lifting
- 8254220100 125 clip without sleeper lifting
- 8254220120 135 clip without sleeper lifting
